Table of Contents

1 Introduction....11

1.1 General....11

1.2 New Go Theory Knowledge....12

1.3 Characteristics of Semeai Classification....13

1.4 Acknowledgements....16

2 Terms and Basic Theory....17

2.1 Semeai....17

2.2 Essential versus Nonessential....17

2.3 Liberties....18

2.3.1 Physical, Approach and Fighting Liberties....18

2.3.2 Outside, Eye, Exclusive and Inside Liberties....23

2.3.3 Abbreviations....25

2.4 Eye....26

2.4.1 Definition....26

2.4.2 Stable versus Unstable Eye....31

2.4.3 Hot Eye....32

2.4.4 Strong versus Weak Eye....33

2.4.5 Almost-filled....38

2.4.6 Eye Size, Small Eye and Big Eye....39

2.4.7 Approach Liberties....41

2.4.8 Overview on Strong Semeai Eyes....44

2.4.9 How to Fill....52
2.5 Attacker and Defender....55
2.6 Favourite versus Underdog....56
2.7 Settled versus Unsettled....58
2.8 Greater, Equal, Smaller....59
3 Class 1: Two Basic Groups, No Kos, No Approach Defects.....60
3.1 Class 1 Preview....60
3.2 Class 1 Definition....62
3.3 Class 1 Types....63
3.4 Type 1 Problems....65
3.5 Type 1: No Eyes....66
3.5.1 Common Feature of Cases 1 to 3....68
3.5.2 Case 1: Zero Or One Inside Liberties, the Numbers of Outside Approach Liberties are Equal....68
3.5.3 Case 2: Zero Or One Inside Liberties, the Numbers of Outside Approach Liberties are Unequal....71
3.5.4 Case 3: At least Two Inside Liberties, the Numbers of Outside Approach Liberties are Equal....72
3.5.5 Common Features of Cases 4 to 6....73
3.5.6 Case 4: At least Two Inside Liberties, the Numbers of Outside Approach Liberties are Unequal, the Numbers of Fighting Liberties are Equal....75
3.5.7 Common Features of Cases 5 and 6....77
3.5.8 Case 5: At least Two Inside Liberties, the Numbers of Outside Approach Liberties are Unequal, the Favourite has More Fighting Liberties....77

3.5.9 Case 6: At least Two Inside Liberties, the Numbers of Outside Approach Liberties are Unequal, the Underdog has More Fighting Liberties....79

3.6 Type 1 Summary....80

3.7 Type 1 Table....82

3.8 Type 1 Answers....83

3.9 Type 2 Problems....86

3.10 Type 2: Each Side has a Small Eye....88

3.10.1 Common Feature of Cases 1 to 3....89

3.10.2 Case 1: Zero Inside Liberties, Equal Numbers of Exclusive Approach Liberties....90

3.10.3 Case 2: Zero Inside Liberties, Unequal Numbers of Exclusive Approach Liberties....91

3.10.4 Case 3: With Inside Liberties, Equal Numbers of Exclusive Approach Liberties....93

3.10.5 Common Features of Cases 4 to 6....94

3.10.6 Case 4: With Inside Liberties, Unequal Numbers of Exclusive Approach Liberties, Equal Number of Fighting Liberties....95

3.10.7 Case 5: With Inside Liberties, Unequal Numbers of Exclusive Approach Liberties, the Favourite has More Fighting Liberties 97

3.10.8 Case 6: With Inside Liberties, Unequal Numbers of Exclusive Approach Liberties, the Underdog has More Fighting Liberties 99

3.11 Type 2 Table....101

3.12 Type 2 Answers....102

3.13 Type 3 Problems....108

3.14 Type 3: Each Side has a Big Eye of the Same Size....109

3.14.1 Common Feature of Cases 1 to 3.....111

3.14.2 Case 1: Zero Inside Liberties, Equal Numbers of Exclusive Approach Liberties.....112

3.14.3 Case 2: Zero Inside Liberties, Unequal Numbers of Exclusive Approach Liberties.....115

3.14.4 Case 3: With Inside Liberties, Equal Numbers of Exclusive Approach Liberties.....117

3.14.5 Common Features of Cases 4 to 6.....120

3.14.6 Case 4: With Inside Liberties, Unequal Numbers of Exclusive Approach Liberties, Equal Number of Fighting Liberties....120

3.14.7 Case 5: With Inside Liberties, Unequal Numbers of Exclusive Approach Liberties, the Favourite has More Fighting Liberties 124

3.14.8 Case 6: With Inside Liberties, Unequal Numbers of Exclusive Approach Liberties, the Underdog has More Fighting Liberties 127

3.15 Types 2 and 3 Summary.....130

3.16 Type 3 Table.....132

3.17 Types 2 and 3 Table.....133

3.18 Type 3 Answers.....134

3.19 Type 4 Problems.....140

3.20 Type 4: One Side has an Eye.....141

3.20.1 Case 1: The Numbers of Fighting Liberties are Equal.....142

3.20.2 Common Features of Cases 2 and 3.....147

3.20.3 Case 2: The Favourite has More Fighting Liberties.....147

3.20.4 Case 3: The Underdog has More Fighting Liberties.....148

3.21 Type 4 Summary.....151

3.22 Type 4 Table....152
3.23 Type 4 Answers....152
3.24 Type 5 Problems....156
3.25 Type 5: One Side has a Big Eye, the Other Side has a Smaller Eye 157
3.25.1 Case 1: The Numbers of Fighting Liberties are Equal....158
3.25.2 Common Features of Cases 2 and 3....163
3.25.3 Case 2: The Favourite has More Fighting Liberties....164
3.25.4 Case 3: The Underdog has More Fighting Liberties....166
3.26 Type 5 Summary....169
3.27 Type 5 Table....170
3.28 Types 4 and 5 Summary....170
3.29 Types 4 and 5 Table....171
3.30 Type 5 Answers....172
3.31 Class 1 Problems....177
3.32 Class 1 Answers....179
3.33 Class 1 All Types Summary....183
3.34 Class 1 All Types Table....184
3.35 Class 1 All Types Comparison....185
3.35.1 Types 1 to 3....185
3.35.2 Types 4 and 5....188
3.35.3 Checklist....191

4 New Semeai Formula.....192

5 Class 2: Like Class 1 with a Ring.....199

5.1 Class 1 Types and Cases.....200

5.2 Type 1 Case 7.....208

5.3 Class 2 All Types Table.....211

6 Class 3: Like Class 1, Essential String with a Big Eye in Atari..... 213

6.1 Type 3: Each Side has a Big Eye of the Same Size.....214

6.1.1 Case 1: Both Essential Strings in Atari.....214

6.1.2 Case 2: Only the Underdog's Essential String in Atari.....215

6.2 Type 4: One Side has a Big Eye.....216

6.2.1 Case 1: The Favourite has at least as Many Exclusive Approach Liberties as the Underdog.....216

6.2.2 Case 2: The Underdog has More Exclusive Approach Liberties 218

6.3 Type 5: One Side has a Big Eye, the Other Side has a Smaller Eye 219

6.3.1 Case 1: Both Essential Strings are in Atari.....220

6.3.2 Case 2: Only the Underdog's Essential String in Atari.....221

6.3.3 Case 3: Only the Favourite's Essential String in Atari, the Favourite has at least as Many Exclusive Approach Liberties as the Underdog.....222

6.3.4 Case 4: Only the Favourite's Essential String in Atari, the Underdog has More Exclusive Approach Liberties.....224

6.4 Class 3 All Types Table.....225

7 Class 4: Like Class 1 with One Unstable Eye.....226

7.1 Type 2: Each Side has a Small Eye.....228

7.2 Type 3: Each Side has a Big Eye of the Same Size.....232

7.3 Type 4: One Side has an Eye.....234

7.4 Type 5: One Side has a Big Eye, the Other Side has a Smaller Eye 235

7.5 Class 4 All Types Table.....237

8 Class 5: Like Class 1 with Two Initially Unstable Eyes.....238

8.1 Type 2: Each Side has a Small Eye.....238

8.2 Type 3: Each Side has a Big Eye of the Same Size.....242

8.3 Type 5: One Side has a Big Eye, the Other Side has a Smaller Eye 244

8.4 Class 5 All Types Table.....246

9 Class 6: Like Class 1 with at least One Essential String with a Big Eye in Atari and at least One Unstable Eye.....247

9.1 Case 1: Both Sides are in Atari and at least One Side is Unstable… 247

9.2 Case 2: The Defender is in Atari and Both Sides are Unstable..... 248

9.3 Case 3: Only the Defender is in Atari and Unstable.....249

9.4 Case 4: The Defender is in Atari, the Attacker is Unstable and the Defender has at least as Many Exclusive Approach Liberties as the Attacker.....250

9.5 Case 5: The Defender is in Atari, the Attacker is Unstable and the Defender has Fewer Exclusive Approach Liberties than the Attacker.....251

9.6 Class 6 All Cases Table.....252

10 Correcting Mistakes in Literature.....253

10.1 Forced Liberties.....253

10.2 The Article "Die Semeai-Formel".....257

10.3 Eye Status.....259

10.4 The Research Paper "Race to Capture: Analyzing Semeai in Go"... 259

10.4.1 Wrong Assumptions.....259

10.4.2 Minor Mistake.....260

10.5 The Book "Counting Liberties and Winning Capturing Races"..... 261

10.5.1 Too General "Inside Liberties Protect the Underdog".....261

10.5.2 Mistake "Equal Liberty Counts Indicate an Unsettled Semeai" 263

10.5.3 Too General "Outside Liberties First, Inside Liberties Last" 263

11 Literature.....269

12 Index.....271
